Classical Sheet Music Public Domain

Music has always been a universal language that transcends boundaries and brings people together. It has the power to convey emotions, tell stories, and evoke memories. While music is a wonderful art form, it can sometimes be inaccessible due to copyright restrictions and licensing fees. However, there is a treasure trove of music available in the public domain, and one organization, **Free Sheet Music**, is dedicated to making this wealth of music freely

Violin Duets Sheet Music

Sheet Music International is a non-profit organization that focuses on curating, digitizing, and sharing a vast collection of sheet music that is in the public domain. The public domain includes compositions whose copyright has expired, typically after a certain number of years following the composer's death. By making these musical compositions available for free, Sheet Music International plays a crucial role in preserving and promoting the rich musical heritage of the world.
